We note that the Deferred Tax Asset may or may not be an asset of the company if Century Australia does not continue at its current scale and in its current form.

NTA PERFORMANCE

Footnotes

1. The calculation is based on the Company's interpretation of law relating to ASX Listing Rule 4.12.
2. The Net Asset Backing is based on investments at market value and is after provision for tax on net realised gains and before providing for all deferred taxes.
3. The Net Asset Backing is based on investments at market value and is after provision for tax on net realised gains and before providing for deferred tax on unrealised gains on its long term investments. Deferred tax on unrealised gains was a deferred tax asset at the current reporting date.
4. Century Australia is a medium to long term investor and does not intend disposing of its total portfolio. However, under AIFRS the Company is required to provide for estimated tax on gains that would arise on such a disposal.
